HOPE is my **carry away** for 2021: HOPE that COVID is brought fully under control, PEACE in our Country, and JOY to the World. This is my prayer that crosses race, religion, and ethnicity.

I'm sure that I won't miss 2020. It was a difficult pandemic year for all of us. So, what will the new year bring? Until something changes, we'll have to continue meeting on Zoom. Perhaps we'll be able to resume in-person meetings in the fall. The turnout for out for our Zoom meetings is good. Several individuals were able to log in which is a benefit that we can now have a meeting this way. You have the ability to call in on your homeland line, iphone, cell phone, or Zoom with your computer. Several individuals have a traditional/home phone, but you can join a Zoom meeting with teleconferencing/audio conferencing.

I'm **Adrian Carroll** an 8th grader at College Park Academy. Charter School. Virtual learning has been very different for me, because I'm not used to working from home all day. The downside of virtual learning is, I can't socialize with my classmates. However, the best part is finding out a new way to learn. This has truly been an experience I will never forget.

Thanks to Council Member Glaros

Kudos to Council Member Danielle Glaros and her wonderful staff for ensuring those District 3 seniors and those with disabilities were able to receive meals during the season. We are truly grateful for the services she provides to us. Not only were the meals tasty, but they were delivered right to our doors if we were unable to pick them up. We especially loved when fresh vegetables were included!

We continue to applaud Council Member Glaros for the excellent way she represents the citizens of District 3 on the Council.

SPRING INTO ACTION!

While the cold and snow have moved on for the moment, have you noticed the trees have started to bud? I take that as a positive sign of spring.

With that in mind let's remember our words have power so let us spring forth with a positive mindset knowing that we can conquer ANYTHING as long as we keep the spirit of positivity. Let's look forward to great expectations not looking back at the negative things we left behind in 2020.

Prince George's County Noise Ordinance

The County restricts noise in residential areas that is audible more than 50 feet from its source. County noise restrictions are in effect from **9 pm to 7 am**. Violations are punishable by a \$250 fine for a first offense and \$500 for subsequent offenses (or imprisonment for up to 30 days, but that rarely if ever happens).
